---

Music lessons begin on Monday, Aug. 20, 2007, and go through Monday, Dec. 17, 2007. You will be required to pay for the full semester of lessons.

Students are required to attend lessons when scheduled. Notification of a lesson cancellation by a student is a courtesy to the instructor, but does not excuse payment for contracted lessons. If cancellation is for illness and notice is given to the instructor four hours prior to lesson time, the absence may be rescheduled at the discretion of the instructor. Instructors are only required to make-up one lesson per semester. If an instructor cancels a lesson, it will be made up or the student will be credited for the cost of that lesson.

Please be advised that, due to high demand, lessons are booked back-to-back. For this reason, if the student arrives to the lesson late, he or she is choosing to forfeit that portion of lesson time.
